## Help Your TRM Service Technician Win!

For the remainder of the year, we're running a sales contest for all of our service technicians and the winner will have their choice of many prizes including a new motorcycle. Don't be surprised if your service technician approaches you to help them win. It's easy, all you have to do is refer your service technician to a friend or family member interested in having a TRM Copy Center at their location. Upon installation, we will credit your account \$50.00 and waive the installation fee for your friend or family member. **Everybody wins!**

## Enter to Win a New Dell Laptop by posting your meter reading online

It's easy to participate, just post your meter reading using our new website and you will be automatically entered to win a Dell Inspiron 1501 laptop computer with a 15.4" display and Vista Home Premium Package. Give one of our great customer service representatives a call today to get started. Drawing will take place January 15, 2008.
